WHAT'S HAPPENED SO FAR

- Started global petition and letters to Minister & President
- Briefings for Matatiele Council, Traditional leaders, public
- Secured local open public meeting for IAPs
- Comments on draft scoping report submitted
- Website and emailing information updates
- Demand moratorium on applications, and SEA to be extended for whole country
- Local core strategy team part of KZN team and FRACKFREE SA (climate change march)

SUGGESTED NEXT STEPS

- Stay informed of what's happening with 295ER application process, nationally and globally
- Local core strategy team: Have a stance: renewables, water security, alternative income sources. Keep 5500+ Matat *facebookers* and '*what's app*' groups up to date.
- Awareness outreach to 40 000 residents (communities and leadership): DEDEAT EE strategy
- Local awareness march: environmental justice, plus water and livelihood security. Outreach to leadership
- Screen movies "High cost of cheap gas" and "unEarthed" in Matat
